

## Coulda danced all night, and did

More than 80 people dined, mingled, listened and relaxed under a moonlit sky in the courtyard behind Birch Street Friday evening, Aug. 27. Sponsored by Rosindale Village Main Street, the jazz concert with the Hub Cats was the first music event in the courtyard and one that many people hope will become a regular venue. Also assisting was Bob Tumposky, manager of the "Jazz in the Square" series that takes place at the Rosindale Congregational Church on Cummins Highway Friday evenings during the fall and winter. Hub Cats is a local band consisting of Steve Buka, saxophones and clarinet; Roger Goldstein, piano; Karl Haakonsen, bass; Rob Saunders, guitar; and Alex Fried, drums.
